APHAA Bulletin - Spring 2014

First Education Bursary Awarded

The APHAA Education Committee is pleased to announce that the first Education Bursary Grant has been awarded to Tony DelleRose. Tony is with Mackenzie Housing Management Board. He is pursuing an on-line Management Accounting Course offered by Niagara College, which correlates with APHAA's Financial Core Competency. We wish Tony the best with his course. The Bursary Program will cover 1/2 of the costs associated with this course.

We invite all others to explore educational opportunities to enhance your professional development, then apply for a bursary grant. Bursary funding is made possible through funding from the Province of Alberta.

Please visit our website www.aphaa.org for more information on the Bursary Program and instructions on how to apply.

Risk Management Webinars

As noted at the left, the next Risk Management webinar is scheduled for March 14th, 2014. These webinars are 1 hour in length starting at 9:00 am. An email invitation to participate is sent out to all APHAA members by The Nonprofit Risk Management Center a few days prior to the webinar date. Please follow the instructions on the invite to participate.

All past webinars are available for viewing at the APHAA Portal on The Nonprofit Risk Management Center's website. [Click Here](#) to access that portal. Sign in or register, then click on the webinar link.

Call For Nominations & Expressions of Interest

Elections will be held at the Annual General Meeting, May 7, 2014 for the positions of President and Vice-President. Nominees must have been Regular Members for the last two consecutive years.

We are also looking to members interested in serving as Members-at-Large on the Executive and to serve on Association Committees (appointed by the Executive). Those interested should email Nancy Laing, Nominations Committee Chair at nmlaing@leducfoundation.ca

Risk Management Tools Now Available

As a result of funding from the Province of Alberta, APHAA Members now have access to two cloud (on-line) applications to assist with risk management responsibilities.

The first is an assessment tool that will allow you to determine where you are and what you need to enhance in your risk management policies and procedures.

The second is a planning tool which will walk you through the creation of a Risk Management Plan for your agency.

You can register to use these tools by [clicking here](#) or visit the APHAA website at www.aphaa.org.

AGM and Education Sessions

Registration is open for these sessions. Visit www.aphaa.org for more information and to register.

Registration Deadline
April 7, 2014
